

# Admission to Maintained Nursery Age settings **2016/2017**

**The closing date for  
you to have made  
your application by  
is 7 March 2016**

**Staffordshire  
County Council**

# Important dates in the admissions process

## Spring Term 2016

<b>18 January 2016</b>	The online application service will open.
<b>7 March 2016</b>	The closing date for all applications. Applications received after this date may not be considered until those who have applied on time have been dealt with. This may result in your child not being admitted to your preferred maintained nursery setting.

## Summer Term 2016

<b>First part of Spring Term</b>	Applications received by the closing date are processed and information is shared between relevant admission authorities where necessary.
<b>9 May 2016</b>	Offer of nursery place. Online applicants will receive an email. Others will receive the offer in writing, posted 2nd class on the date.

## Important

This booklet gives information about the application process for nursery places at schools which have a maintained nursery setting. A maintained setting is a class which is part of the school. Some schools have nurseries on site which are run by other providers or by the Governors at the school. If the school nursery you are interested in applying for does not appear in this booklet, please contact the school directly for details of how to apply.

## **Admissions to maintained Nursery Schools, Nursery Classes and Foundation Classes.**

This booklet contains information on maintained nursery settings where the Schools Admissions and Transport Service is responsible for allocating places.

A list of these settings is provided on pages 11 to 23.

This booklet provides information on how to make an application for a place at these nurseries. There are a number of other settings available for 3 and 4 year olds including private and voluntary day nurseries, independent schools, playgroups, etc. which offer free early education places. Some of these settings may be based on a school site and may be run by the school governors or by a private provider. You can find details of providers in your local area by contacting the Family Information Service:-

- By telephone 0300 111 8007
- Email [fis@staffordshire.gov.uk](mailto:fis@staffordshire.gov.uk)

You can also find details by visiting <http://staffs.fsd.org.uk>

## **Who is eligible for a maintained nursery place?**

Children born between 1 September 2012 and 31 August 2013 are eligible to attend maintained nursery or foundation classes for 15 hours a week for three terms in the academic year in which the child becomes 4 years old. A parent is under no obligation for their child to attend a maintained nursery for the full 15 hours per week. Parents can

also choose to split the hours with the maintained nursery and a private nursery, preschool or childminder if they wish. Upon confirmation of a nursery place you must confirm with the school the number of hours you wish to attend.

## **What is the difference between a Nursery Class and Foundation stage class?**

A nursery class is made up of children who will be turning 4 during the school year who attend on a part time basis. A Foundation stage class also includes Reception aged children, who will be turning 5 during the school year who may attend on a full time basis.

The curriculum is based on the Curriculum Guidance for the Early Years Foundation Stage, which promotes learning through play and practical activities. These activities are planned in such a way that the diverse needs of all children are addressed and enable them to access learning opportunities appropriate to their stage of development.

## **How do I apply for a maintained nursery place?**

If you want your child to start at a maintained nursery in September 2016, you need to apply by 7 March 2016. You can apply online at [www.staffordshire.gov.uk/admissions](http://www.staffordshire.gov.uk/admissions). You can make two preferences. You must make an application, even if you have previously registered your interest with the school. Places are allocated centrally by the school Admissions and Transport Service.

You can apply:

- online at [www.staffordshire.gov.uk/admissions](http://www.staffordshire.gov.uk/admissions). Applicants who apply this way will receive their decision on 9 May 2016 by email.
- Using the paper application form which you can download from our website. Applicants who apply this way will receive the decision after the offer day by 2nd class post.

### **How are places allocated?**

Places at the majority of schools listed in this booklet are allocated using the admission criteria provided on page 7.

Schools with an \* next to their name in the directory are their own admission authority and use their own admission criteria, this may include giving some priority to children of the same faith as the school or to children of staff who work at the school. Where available, these admission criteria can be found at [www.staffordshire.gov.uk/admissions](http://www.staffordshire.gov.uk/admissions). Any criteria not available on the website can be obtained directly from the school itself.

### **What happens if I don't submit my application by the closing date?**

Applications received after the closing date will be considered alongside those applicants who applied on time wherever possible. Where it is not possible because places have already been allocated then late applications will be considered only after those applicants who applied on time.

Please note, if one of your preferred settings is indicated in the directory as being their own admission authority, then the school's governing body will have to decide whether to consider your application with those made on time.

### **When will I find out where my child has been allocated a place?**

- By email on 9 May 2016, if you apply online.
- By post, 2nd class on 9 May 2016, if you chose to make a paper application.

### **What if my application is unsuccessful?**

If it is not possible to offer a place at either of your preferred maintained settings your child's name will remain on their waiting lists, which are held until the end of the Autumn Term 2016. The waiting list uses the same oversubscription criteria as used to allocate places and, if places become available, they will be offered to the child at the top of the waiting list. Please note, a child's position on the waiting list is not fixed and, if your circumstances change or if there are further applications for places you may move up or down the waiting list.

You can contact the School Admissions and Transport Service who will be able to provide you with details of other maintained nursery settings that have places available. You can also contact the Family Information Service for details of other providers in your area.

### **Will I still need to apply for a place in Reception?**

Yes, you will need to make an application for a Reception place in September 2017 from November 2016. Being offered a place in a nursery or foundation class does not guarantee a place in the school's Reception Class. No priority is given for attendance at a maintained nursery when places are allocated, which will be in strict accordance with the admission arrangements for Primary school. Information about the primary application process will be available in the middle of the Autumn Term 2016.

### **Can I defer the date my child joins a maintained nursery setting?**

Admission into maintained settings within Staffordshire Primary schools takes place in the September of each academic year. It is not possible to 'hold' places for children where parents would like them to start a term later i.e. in the following January. You would need to approach the nursery of your choice when you want your child to start to see if there are any places available at the time?

### **What if I have a dispute over the outcome of my application?**

Any disputes over the administration of the admissions policy will be dealt with under the Staffordshire County Council Complaints procedure. These should be emailed to :

complaints&customerfeedback@staffordshire.gov.uk

or in writing to:

Customer Feedback and Complaints Team  
Staffordshire Place 2  
Stafford  
ST16 2LP

There is no statutory right of appeal over admission to nursery or foundation classes.

### **Who should I contact if I have any queries?**

If your query relates to the admissions process, please contact the County Council on 0300 111 8007 or email [admissions@staffordshire.gov.uk](mailto:admissions@staffordshire.gov.uk)

If you have a more general query about nursery aged settings please contact the Family Information Service on 0300 111 8007 or email [fis@staffordshire.gov.uk](mailto:fis@staffordshire.gov.uk).

## Admissions Criteria

If the total number of preferences for admission to a nursery age setting exceeds the number of available places, then the following order of priority will be used to allocate the available places.

- 1) Children in Care and children who ceased to be in care because they were adopted (or became subject to a residence order or special guardianship order).
- 2) Children who satisfy both of the following tests:

**Test 1:** the child is distinguished from the great majority of other applicants either on their own individual medical grounds or by other exceptional circumstances.

Medical grounds must be supported by a medical report (obtained by the applicant and provided at the point of application). This report must clearly justify, for health reasons only, why it is better for the child's health to attend the preferred maintained nursery rather than any other nursery.

Exceptional circumstances must relate to the choice of nursery and the individual child, i.e. the circumstances of the child, not the specific economic or social circumstances of the parent/carer, and be supported by a

professional report (obtained by the applicant and provided at the point of application), e.g. social worker, justifying why it is better for the child to attend the preferred maintained nursery rather than any other nursery.

**Test 2:** the child would suffer hardship if they were unable to attend the preferred nursery setting.

Hardship means severe suffering of any kind, not merely difficulty or inconvenience, which is likely to be experienced as a result of the child attending a different school. Applicants must provide detailed information about both the type and severity of any likely hardship at the time of application.

- 3) Children who have an elder brother or sister in attendance at the school (or, in the case of an infant school, the affiliated junior school) and who will still be attending the school (or affiliated junior school) at the time of the proposed admission date. (For admission purposes, a brother or sister is a child who lives at the same address and either: have one or both natural parents in common; are related by a parents marriage; are adopted or fostered by a common

parent or are unrelated children who live at the same address, whose parents live as partners.)

- 4) Children living within the defined catchment or cluster area of the preferred setting. Cluster areas for nursery age settings will sometimes, but not always, correspond to the catchment area for the main school. (See additional notes for more details.)
- 5) Other children arranged in order of priority according to how near their home addresses are to the main gate of the nursery setting, determined by a straight-line measurement as calculated using the Local Authority's Geographical Information System.

Where it is not possible to accommodate all children applying for places within a particular category then the Local Authority will allocate the available places in accordance with the remaining criteria. If for instance, all the catchment area or cluster area children cannot be accommodated at a school, children who are resident within the catchment or cluster area will be arranged in order of priority according to distance i.e. category (5).

### **Additional Notes**

Copies of school catchment area maps are available from the Local Authority or individual schools.

There is no charge or cost related to the admission of a child to a school.

Applications for maintained nursery settings are processed centrally by the School Admissions and Transport Service.

Attendance at a particular nursery setting will not guarantee admission to any particular Reception Class or give any advantage to the child's application for Reception. Parents must make a separate application for admission to Reception at the appropriate time.

In accordance with legislation, children who have a statutory statement of special educational need or Education, Health and Care Plan (EHCP) that names a particular nursery setting must be admitted to that nursery. This will reduce the amount of places available to other applicants.

Children in Care means children who are in the care of, or provided with accommodation by a local authority in accordance with section 22(1) of the Children Act 1989 at the time of making the application.

It is the applicant's responsibility to provide any supportive information required in order for the application to be assessed against the published

admissions criteria, the Local Authority will not seek to obtain this information of behalf of the applicant.

The Local Authority uses a Geographical Information System (GIS) to calculate home to school distances in miles. The measurement is calculated using Ordnance Survey (OS) data from an applicant's home address to the main front gate of the school. The coordinates of an applicant's home address are determined using the Local Land and Property Gazetteer (LLPG) and OS Address Point data.

The home address is considered to be the child's along with their parent/carer's main and genuine principal place of residence at the time of the allocation of places i.e. where they are normally and regularly living. If a child is resident with friends or relatives (for reasons other than legal guardianship) the friends or relative's address will not be considered for allocation purposes.

Where parents have shared responsibility for a child, and the child lives with both parents for part of the school week, parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes.

If a place is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address then that place is likely to be withdrawn.

If there are a limited number of spaces available and we cannot distinguish between applicants using the criteria listed, such as in the case of children who live in the same block of flats or are the result of a multiple birth, then the child or children who will be offered the available spaces will be randomly selected. This process will be independently verified.

Unsuccessful applicants will be placed on a waiting list in accordance with the oversubscription criteria stated above and not based on the date their application was received. If places become available after the offer date they will be offered to the child at the top of the waiting list. Waiting Lists will be kept until the end of the autumn term of admission.

Inclusion on a school's waiting list does not mean that a place will eventually become available at the preferred school.

A child's position on a waiting list is not fixed and is subject to change, i.e. they can go up or down the list since each added child will require the list to be ranked again in line with the oversubscription criteria listed above.

There is no statutory right of appeal for admission to a maintained nursery setting. Any disputes over the administration of the policy will be dealt with by the Staffordshire County Council complaints procedure.

# Directory of Staffordshire Maintained Nursery Schools, Nursery Classes, Foundation Classes and Children's Centres

For details of other local providers, including those on school sites, please contact the Family Information Service on 0300 111 8007

**Please note: This information is correct as at the time of printing.**

Schools indicated by \* after the school name are their own admission authority and therefore may have their own admission criteria for the allocation of places. Please contact the individual school for a copy of their admission criteria if you are considering applying for a nursery place at one of these schools.
