

Perton Primary Academy

End of Year Expectations for Year 3

This booklet contains information for parents and carers about the end of year expectations for children in our school. These are the minimum requirements children must meet to ensure continued progress throughout the following year.

All objectives will be worked on throughout the year and will be the focus of direct teaching. Any support that can be offered at home to ensure children are secure in these areas is greatly valued.

If you have any questions about the content of this booklet or if you would like any additional support in knowing how to best help your child, please talk to your child's class teacher.

Reading

= Comment on the way characters relate to one another

- Know which words are essential in a sentence to retain meaning
- Draw inferences such as inferring characters' feelings, thoughts and motives from their actions
- Recognise how commas are used to give more meaning
- Recognise: plurals, pronouns (and how they are used), collective nouns and adverbs
- Can explain the difference that adjectives and verbs make to a sentence
- Use dictionaries to check meanings
- Prepare poems and plays to perform

Writing

=Planning, drafting and editing their written work.

- Use conjunctions (when, so, before, after, while, because)
- Use time connectives (e.g. then, next, soon)
- Use prepositions (e.g. before, after, during, in, because of)
- Experiment with adjectives to create impact
- Correctly use verbs in 1st, 2nd and 3rd person
- Use the present perfect form of verbs, e.g. He has gone out to play.
- Correctly use a range of punctuation including inverted commas for direct speech
- Group ideas into paragraphs around a theme
- Write under headings and sub-headings
- Neat, legible, joined handwriting with letters of consistent size

Mathematics

- Compare and order numbers up to 1000.
- Read and write all numbers to 1000 in digits and words.
- Find 10 or 100 more/less than a given number.
- Count from 0 in multiples of 2, 3, 5, 4, 8, 10, 50 & 100.
- Recall and use multiplication and division facts for 2, 3, 4, 5, 8 and 10 tables.
- Recognise place value of any 3-digit number.
- Add and subtract:
 - 3-digit and single digit numbers ($345+8$)
 - 3-digit numbers and multiples of 10 ($682+50$)
 - 3-digit numbers and multiples of 100 ($725+300$)
- Add and subtract:
 - Numbers with up to 3-digits using efficient written method (column).
- Use inverse to check.
- Multiply:
 - 2-digit by 1-digit (37×4)
- Count up/down in tenths.
- Compare and order fractions with same denominator.
- +/– fractions with same denominator with whole.
- Know pairs of fractions that total 1.
- Tell time using 12 and 24 hour clocks; and using roman numerals.
- Tell time to nearest minute.
- Know number of days in each month and year.
