

School Development Plan Targets 2015-16

Ofsted Actions:

- To ensure equality of provision across Reception Classes in EYFS
- To ensure the continuity of good progress in Marking in English and Maths to all subjects so that pupils are always clear about how to improve their learning

Teaching:

- To ensure the quality of teaching is consistently Good across school and a significant proportion is Outstanding promoting deeper learning with mastery of skills and application.

Standards:

- To raise standards in English across school, specifically in Boys Writing through application of SPAG
- Learners with SEND to make accelerated progress over a period of planned support
- To ensure that all pupils including the More Able are challenged and secure good progress

Leadership & Management:

- To reform assessment procedures within school and ensure a robust system replacing National Curriculum Levels in core and non-core subjects in the New National Curriculum
- To implement EEX new Baseline assessment and further develop robust assessment strategies in EYFS using appropriate technology.

Curriculum:

- To embed the new National Curriculum Programmes of age related study in KS1 and KS2
- To promote an investigative process in Teaching & Learning in Science as part of the Primary Science Quality Mark
- To ensure high standards of Personal and Social development for all learners.
