15th July 2020

Dear Parent/ Carer,

As per letter dated 13th July, all school including Nursery and Pre-School from September 2020 will be closing at 1pm every Friday to follow Government guidelines for the school to deep clean.

Children that have 15 hours childcare and have been offered afternoon sessions, will be moved to the morning session on Fridays only.

For all children that are entitled to 30 hours you will not be charged for our lunch provision until further notice. The 2.5 hours that will be lost on a Friday afternoon will be used for lunch provision throughout the week to total 30 hours, which is normally charged at £2.00 per day.

If provision is required on a Friday afternoon for working parents, this will be offered in homework club free of charge until the end of school day. This will be run by Teaching Assistants and will be suitable for all ages. After 3pm this will be charged for at the after school club rate. This **must** to be booked in advance.

In regards to continuing to finish early on Fridays, the consultation was closed last Tuesday and will be taken to Governors in September when we return for a final decision to be made.

We look forward to 'Learning and Caring Together' with you very soon!

Yours faithfully

Ms. L.Small
