Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

In EYFS 80% of children achieved a good level of development, based on teacher judgements against the early learning goals. These judgements were moderated and all agreed by the external moderator. This is a reflection of PP spending of last year's strategy,

In Y1, 72% of children passed the phonics screening and 95% passed in Y2.

Based on internal assessments such as Salford reading ages, Cornerstones Assessments and teacher judgement, 73% of children in reading achieved age related expectations (ARE). 78% of children achieved ARE in writing and 76% of children achieved this in maths in Y2.

In Y4, 72% of children were at ARE in Reading, 73% of children in writing and 70% of children at ARE in maths.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

| Programme | Provider |
|---------------|------------|
| Inspire Maths | Oxford Owl |
| RWI | Oxford Owl |
